FINANCIAL RESPONSIBILITY AGREEMENT

I, _____, understand that I am responsible for all charges incurred for my medical treatment. I consent that medical benefits from my insurance policy are paid directly to North Dallas Urology Associates, in consideration of services rendered up to the total amount of my account.

Any balance remaining after insurance benefits have been paid is my responsibility. I will pay the balance within 60 days unless other arrangements have been made. I understand that in the event of default, my account will be sent to a collection agency.

It is my responsibility to provide the correct insurance information (claims address, phone numbers, ID numbers, etc.). I will pay any balances resulting from inaccurate insurance information.

NORTH DALLAS UROLOGY will file claims with my primary and secondary insurance companies **ONLY**. If I have a third insurance company, I will file those claims myself. I understand that I am responsible for all remaining balances after my second insurance company has paid.

Every possible effort will be made to obtain payment for my claims. I agree to pay my account balance in the event the insurance company (ies) does not respond.

ALL COPAYS AND DEDUCTIBLES ARE DUE AT TIME OF SERVICE. I also agree to pay for in-office labs/x-rays/tests at the time of service as outlined by my insurance company.

There is a \$45.00 fee for disability forms that need to be completed prior to surgery or any form requiring dictation by the doctor, and a \$25.00 fee for a copy of your medical records.

It is my responsibility to obtain all referrals and to verify the in-network status of my doctor. If I do not have a proper referral, my appointment will be rescheduled until one is obtained.

I authorize the release of medical records necessary to process insurance claims.

PAYMENT POLICY

Upon contact with our business office, we will request your insurance information. We are required by many insurance companies to get pre-certification numbers and benefits. This protects you as well as us from having unexpected out-of-pocket expenses. Our staff will call your insurance company to verify your benefits and also check on your current deductible, co-payment, and coinsurance. This information will be shared with you. In order to control our billing costs, we request deductible, co-payment, and/or coinsurance be paid as they relate to the charges at the time of service.

Payment may be made by cash, check, Master Card, Visa, Discover, or American Express.

MEDICARE PATIENTS

If your primary insurance is Medicare, then we will file the claim for you. We do accept Medicare assignment which means we will bill you only what Medicare allows. Medicare will pay 80% of the allowable, minus any deductibles, and you will be responsible for the 20% allowable plus any remaining deductible. If you have a secondary insurance policy, we will file that for you as a courtesy. Some secondary insurance policies reimburse directly to the patient and/or insured. If your insurance company does this, please forward the payment to us in the form of cash, check or credit card.

Note: At times, there may be a procedure or test done in-office that is required to be sent out to a lab or pathologist. In this case you may be billed by a third party for these services.

LABS

We, out of courtesy collect your specimen and send it to our preferred lab for processing and analyzing of results. We do not have the capability to provide this service in our office, therefore if you do not wish to have your specimen collected or sent to our preferred laboratory please specify prior to services. We use the following laboratories Clear Point, Bostwick & Dr. Donna Sirbasku Pathologist.

MANAGED CARE PATIENTS

We request you pay your co-payment at the initial onset of your visit. If your deductible has not been met for the year, you will also need to pay any unmet deductible for the services rendered. After your deductible has been met, you will then be responsible for only your co-payment and/or coinsurance. Any procedure done may be subject to an additional surgical deductible depending on your particular insurance plan. We will file all claims for the services rendered by the physician. Assignment of insurance benefits, deductible, co-payments, and/or coinsurance are required before elective surgery. We will try to fulfill all insurance requirements for pre-certification; however, we cannot be responsible for reduction in benefits if this is not done. Therefore, we encourage you to contact your insurance company before any surgical procedures are done.

Note: At times, there may be a procedure or test done in-office that is required to be sent out to a lab or pathologist. In this case you may be billed by a third party for these services.

Please be advised that we request 24-hour cancellation notice prior to your scheduled appointment.

ASSIGNMENT OF BENEFITS

I authorize release of medical records to determine liability for payment and to obtain reimbursement. I assign all medical and/or surgical benefits including Medicare, private insurance, and other health plans to my physician. This assignment will remain in effect until revoked by me in writing. I understand I am financially responsible for all charges incurred by myself and/or dependent.
